**Christopher P Weis, PhD, DABT** Burning Question: Is It Safe to Use DEET to Ward Off Bugs? - WSJ

### Burning Question: Is It Safe to Use DEET to Ward Off Bugs?

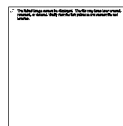

DEET is one of the most popular chemical compounds used for repelling biting insects. It is also the subject of much confusion and many concerns about whether it is safe to use.

### STUK in Finland: How trustworthy is information on smart phones and... nuclear power plants...

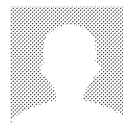

Finland's STUK is hiding important radiation exposure information from the general public, the Government and the Parliament. What else is being hidden by the arbitrary decisions of STUK staff? How comprehensive and trustworthy is the information we, the general public, are provided by STUK? \*\*\*\*\* It is the time in Finland when the school year begins. Parents, especially of the first...
